

Upcoming Courses and Getting Your Feedback

Hi everyone, thanks for your continued support of Gemba Academy.

A quick note and one [small request](#) that, if acted on, will allow you to purchase any Gemba Academy product (online course, DVD, etc.) at a **15% discount**.

First, we're busy working on our next course which is going to focus on all things kaizen related - such as suggestion systems, the kaizen event, etc. We expect to begin releasing modules within the next few weeks. After this course we'll be focusing on other important concepts such as Standard Work. If you have any requests for courses please do let us know by replying to this email.

Next, we're in the early phases of investigating the use of a Learning Management System (LMS) that would allow our customers to track and monitor their learning progress. Part of this due diligence is ensuring that you, our valued customers, are indeed interested in such a system.

So, to help us learn more about what you value we've created a short survey that will take you less than 45 seconds to complete.

And as our way of saying thanks for completing the survey you'll be given a special 15% coupon code at the end of the survey. Simply enter this coupon code during the checkout process to take 15% off any purchase (online subscription, DVD, or combination of the two).

Here is a link to the 45 second survey: <http://www.surveymonkey.com/s/6TCKNQJ>. Thanks in advance for your valued feedback!

Best,
Ron Pereira
