

SIX SIGMA CERTIFICATIONS BLACK BELT AND GREEN BELT

Our Mission.

Our mission is to use online Lean & Six Sigma training to empower individuals and organizations around the world to improve.

Our Approach

From increasing production, to reducing waste, to streamlining processes, there's always room for improvement. Whatever success means to you, we'll help you get there by teaching you how to effectively and efficiently identify, understand, and solve problems. Whether you're a local business or a multinational corporation, our goal is to make continuous improvement a key part of your company culture.

Why Gemba Academy?

Affordable.

Our **Green Belt and Black Belt** certifications are available for \$1995 and \$2995 per person, respectively. Both programs include access to our **School of Six Sigma**.

Adaptable.

Candidates receive full access to the **School of Six Sigma** for a whole year, allowing them to set their own goals and their own pace. A qualifying exam for certification is taken upon completion of the courses and the custom project. The exam can be retaken as many times as necessary at no added cost. We want you to succeed!

Accessible.

Our videos feature expert practitioners and are designed to maximize learning efficiency, ranging between 5-15 minutes in length. Short interactive quizzes reinforce learning and Excel templates allow for the immediate application of new principles. Subtitles are also available for non-English speakers.

What's Included?

- ↳ 200+ HD videos covering topics like ANOVA, Descriptive Statistics, and more
- ↳ 220+ downloads, including worksheet templates and calculators
- ↳ Discounted pricing on statistical software like Minitab and SigmaXL
- ↳ A year of individual access to the **School of Six Sigma**
- ↳ Virtual support and individual coaching on candidates' custom projects
