

ENTERPRISE SOLUTIONS LEAN AND SIX SIGMA TRAINING

Our Mission.

Our mission is to use online Lean & Six Sigma training to empower individuals and organizations around the world to improve.

Our Approach

From increasing production, to reducing waste, to streamlining processes, there's always room for improvement. Whatever success means to you, we'll help you get there by teaching you how to effectively and efficiently identify, understand, and solve problems. Whether you're a local business or a multinational corporation, our goal is to make continuous improvement a key part of your company culture.

Why Gemba Academy?

Affordable.

Our **School of Lean** and **School of Six Sigma** subscription is priced at \$1,995. Our site-based model means that everyone at a particular geographic location gets access, with no added cost per person. Multi-site discounts and global licenses are also available. Whatever option you choose, we regularly add new content that existing subscribers can access at no additional cost, creating a dynamic learning experience.

Adaptable.

Regardless of size, number of sites, and industry, we're committed to tailoring your subscription to fit the specific needs of your organization. Our optional **Learning System** takes training to the next level by incorporating tracking, reporting, custom learning paths, discussion forums, and more. We can even integrate our content into your existing **Learning Management System**.

Accessible.

Our videos feature expert practitioners and are designed to maximize learning efficiency, ranging between 5 -15 minutes in length. Short interactive quizzes reinforce learning and Excel templates allow for the immediate application of new principles. Subtitles are also available for non-English speakers.

What's Included?

- 750+ HD videos on topics like 5S, A3 Thinking, Practical Problem Solving, and more
- 90+ quizzes to gauge comprehension
- 200+ downloads, including worksheet templates and calculators
- Lean Enterprise Assessment and Strategy Kit
- Our exciting Gemba Live! series that featuring on-site tours, interviews, and webinars
